

will not indefinitely postpone.

PRESIDENT: Now, Senator Chambers, would you like to close?

SENATOR CHAMBERS: And, Mr. Chairman, I will be brief. If you can get a ticket for not having your driver's license in your possession, \$2 more to go to the victim's fund and you didn't create a victim. You follow too close but you don't run into anybody, and you can get a ticket on the interstate from the airplane if your car is seen following too close to somebody else's vehicle, even if there is no wreck; you pay money into the victim's fund. Run the red light, failure to come to a complete stop, enter an intersection on the yellow when you had an opportunity to stop before entering it, turning left out of the wrong lane, any of those things, the vast majority of offenses are traffic. They have no victim. So you are going to talk about funding a victims program by people who don't create victims, and you are using the instrumentality of court costs, the theory behind which is money to operate the courts. So I hope that you will vote to indefinitely postpone this bill.

PRESIDENT: The question is, shall the bill be indefinitely postponed? All those in favor vote aye, opposed nay. Senator Chambers.

SENATOR CHAMBERS: (Mike off) for a call of the house.

PRESIDENT: Okay, the question is, shall the house go under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk.
